NATIONAL PARK SCHOOL STRATEGIC PLAN

2024 - 2026

Whanaungatanga: Community

We will strengthen existing partnerships and build new relationships within the school and wider community.

- Link with community providers to increase the range of learning opportunities available.
- Regularly consult with whanau, and allow them to engage in their own way.
- Consult with whanau, iwi and the Ministry of Education on uniform and logo.
- Actively build relationships with iwi in which they feel valued.

NELP 3 and 4

A kura that engages in projects that inspire life long learners, and gives back to the whenua and community.

Hauora: Health and Wellbeing

Develop a respectful school culture that builds physical, mental and social wellbeing.

- Revisit/ review PB4L Tier 1 framework.
- Embed a social, emotional and mental health framework or program.
- Grow leadership capabilities of akonga.

NELP 3

Akongas that are respectful, socially and emotionally confident citizens.

Kakama Active:

We will provide opportunities to be active and engaged in a learning environment beyond the classroom.

- Create outdoor learning environments that engage students.
- Build a focused and planned approach to teaching physical education and sports that link with community sport opportunities.
- Develop a clear Education Outside the classroom pathway across the school.

NELP 4

A kura that promotes and makes the most of active lifestyle opportunities, and uses these to enhance learning.

Ako: Teach and Learn

We will build caring and inclusive learning communities where each person feels that their contribution is valued and is able to reach their full potential.

- Grow Tikanga practices across the kura.
- Develop a shared language and understanding of learning and assessment within our community.
- Provide and support ongoing professional learning for staff to strengthen the school's ability to raise achievement.

NELP 1,2 3 and 4

A curriculum that reflects high aspirations for every akonga that responds to individual needs and identity.
